

**GARDEN STATE  
CHILDREN'S BOOK AWARDS  
TALLY SHEET TO CHOOSE THE 2004 AWARD WINNERS**

These books have been selected by librarians working in public and school libraries throughout New Jersey to be the best published in 2001. **Determine the three most popular titles with the children in your library in each of the four categories.** If you must, you may use circulation figures, but please try to get the children of your community directly involved by setting up a ballot box and display of the nominated books. After compiling your votes, mark the first, second, and third choices in each of the four categories.

The Garden State Children's Book Award has been in existence for over twenty-five years. Librarians and teachers have worked together to make this award a most prestigious one. This is your award, representing the choices of the children in your service area. Please make sure their voices are heard. For more information, or for additional Tally Sheets, visit the New Jersey Library Association's website: [www.njla.org/bookawards/childrens.html](http://www.njla.org/bookawards/childrens.html)
