

NJLA CUS ACRL NJ Research Committee Nominations for 2005 Research Award

To recognize excellence in the research efforts of New Jersey Librarians, the Research Committee of the NJLA College and University Section and the ACRL New Jersey Chapter seeks nominations or self-nominations for its annual Research Award to honor the best-published research completed by a New Jersey Librarian.

The Award will be presented at the NJLA Annual Conference on April 26, 2006, at the Ocean Place Conference Center, Long Branch. All types of research published in 2005 will be considered, including books, journal articles, bibliographies, and electronic publications. A New Jersey librarian practicing or professionally active in the New Jersey library community must be the author or co-author. Doctoral dissertations and master's theses are not eligible; however, publications based on them will be considered.

Individuals may nominate themselves or a colleague. Please submit to the Chairs a letter of nomination that specifies evidence and significance of original research. A copy of the publication in either electronic or hard copy format should accompany the nomination.

Submissions are due on Monday, February 6, 2006.
