Using the Workflow Management System and
the New Jersey Digital Highway
Presented by the NJLA Technical Services Section

Do you have local history collections you would like to digitize and make available on New Jersey Digital Highway? This workshop will show you how to use the Workflow Management System to describe text and still image resources. Upon completion of the workshop, participants will be given password access to the WMS so they can make their collections available to the world.

Workshop fee: \$29 NJLA members or ACRLnj \$34 Non-members \$15 students
Registration is limited to 24 participants.
