PLA releases first Staff and Diversity Survey report

The Public Library Association (PLA) today published the 2021 Public Library Staff and Diversity Survey report. The national survey updates information on beginning librarian and library director salaries; documents traditional and emerging staff roles; explores staff diversity, recruitment, and retention efforts; and captures information about public library equity, diversity, and inclusion (EDI) goals and activities. The survey is the second in a rotating series of three national surveys exploring public library roles, services, and resources to provide actionable data for decision-making and advocacy.

--In 2021 the median annual salary of a public library director reported was $79,022, and the median annual salary of a beginning librarian was $41,864.

The Association of College and Research Libraries (ACRL) announces the publication of "Intersections of Open Educational Resources and Information Literacy," book number 79 in the Publications in Librarianship series.

This year, Tony Award-winning performer, actress, singer-songwriter, and philanthropist Idina Menzel and her sister, author and educator Cara Mentzel, will serve as honorary chairs of Library Card Sign-Up Month. #GetLibraryCarded
