

Libraries Bridging the Digital Divide

"The Most Trusted Source of Information in the Community"

400

Convenient Locations

More than 400 public library buildings are easily accessible to the public.

250

Meeting Space for All

Over 250 meeting rooms can accommodate 10-50 people at a time, nearly all equipped with WIFI and presentation technology.

200

Collaborate, Study, Work

More than 200 additional rooms for use by 1-4 people to have a Zoom call, make last second tweaks to a presentation, or learn outside of school.

8,100

Need a Computer?

With over 8,100 computers for public usage, libraries have you covered when a need arises.

EACH YEAR

WIFI used 7.6 million times

7.5 million computer logons

6 million questions asked & answered

40 million visits to a facility
